4. Officer and employee stock ownership plans

<Performance-Linked Stock Compensation Plan>

The Company has introduced a transparent & fair performance-linked stock compensation plan (hereinafter referred to as the “Plan”) for the Company’s directors and executive officers who have been engaged by the Company (hereinafter collectively referred to as the “Eligible Officers,” and excluding outside directors and persons such as Audit and Supervisory Committee members who are not directly engaged in the operations of the Company, and persons residing outside Japan). The Plan is intended to heighten directors’ sense of shared interest with shareholders and to show a commitment to sustaining growth and increasing corporate value over the mid- to long-term, covering three years from the fiscal year ended March 31, 2017 to the fiscal year ended March 31, 2019. Moreover, the Company resolved at the meeting of its Board of Directors held on May 16, 2019 to continue the Plan with three years from the fiscal year ending March 31, 2020 to the fiscal year ending March 31, 2022 as the period covered by the Plan.

(1) Summary of the Plan

The Plan has employed a framework referred to as the officer compensation BIP trust and is designed to deliver a variable number of shares to Eligible Officers based on the levels of achievements of mid- to long-term operating performance targets for the Company’s business profit, ROS, ROE, etc., and other factors. The BIP trust is, like the U.S. Performance Share and Restricted Stock systems, a stock compensation plan for officers under which the Company’s shares and cash equivalent to the amounts obtained through the conversion of such shares into cash are delivered and paid based on position, the levels of achievement of operating performance targets and other factors.

- 1) Epson resolves the continuation of the Plan at the meeting of its Board of Directors.
- 2) Epson additionally contributes funds within the scope of approval by resolution at the 2016 General Meeting of Shareholders and extends the period of a trust with beneficiaries who are the Eligible Officers who satisfy the beneficiary requirements (hereinafter referred to as the “Trust”).

- 3) According to the trust administrator's instructions, the Trust uses funds remaining in the trust assets at the time of the change in the trust agreement and funds contributed as in 2) above as the source of funds to acquire Epson shares in the stock market.
- 4) The allocation of surplus funds for the Epson shares within the Trust is handled in the same manner as for other Epson shares, and is appropriated for necessary expenses for the Plan.
- 5) Throughout the trust period, voting rights are not to be exercised on Epson shares within the Trust.
- 6) During the trust period, the Eligible Officers are awarded a specific number of points each year based on their position and other factors, in accordance with the share delivery regulations. Such points fluctuate depending on the levels of achievement of the mid- to long-term operating performance targets of Epson. Furthermore, Epson shares, which correspond to a certain proportion of such points, will be delivered to the Eligible Officers, in principle, after the lapse of three years following the awarding of points. As regards Epson shares corresponding to the remaining portion of points, the Eligible Officers will receive cash equivalent to the amounts obtained through the conversion of such shares into cash within the Trust as prescribed in the trust agreement.
- 7) If residual shares remain in the Trust at the expiry of the trust period in the event that operating performance targets are not met during the trust period, Epson may continue to use the Trust by amending the trust agreement and making additional contribution. Otherwise, Epson will acquire such residual shares, through gratis transfer, and retire them by resolution of the Board of Directors.
- 8) Upon the termination of the Trust, residual assets remaining after allocation to beneficiaries are to be attributed to Epson within the scope of trust expense reserve after subtracting funds for acquiring shares from the trust money. The portion exceeding the trust expense reserve is planned to be donated to organization(s) having no interests with Epson and any of its officers.
